Using PayPal means that you do not share any of your bank details with the church – the only information we get is from PayPal.

Payments are instant and if “friends and family” is chosen there are no fees taken out of your donation.

Payments made with the box labeled “Paying for goods or a service?” checked, will have fees out of your donation by PayPal.

The image shows a screenshot of the PayPal interface for adding a card. The header features the PayPal logo. The main heading is "Just add your card to shop". Below this, there are three input fields: "Debit or credit card number" with a card icon on the right, "Expiry Date", and "CSC" with a card icon on the right. Below these fields is a section for "Billing Address" with an "Edit" link. At the bottom of the form is a blue "Add Card" button.
